

Introducing Trident Mortgage Company's

# HOMEWISE CREDIT EDUCATION PROGRAM

*Don't let credit challenges stand in the way of achieving your dream of home ownership!*

**Homewise** is a free credit education service provided by Trident Mortgage Company (TMC). We partner you with a member of our team and use a combination of our tools and expertise to help you improve your credit. You receive personal, one-on-one coaching as well as a personal improvement plan to get you on the path of home ownership!

Credit reports and credit scores don't have to be a mystery. We help you understand the dynamics of your report including areas causing a negative impact to your score, how to correct it, and how to maintain it.
